PROFESSIONAL SUMMARY

Senior DevOps Engineer with 8+ years of experience building and operating cloud platforms, automating delivery, improving observability, and resolving production issues. Hands-on experience with AWS, Kubernetes, Docker, Terraform, Jenkins, monitoring platforms, and incident response across multi-region environments.

CORE EXPERTISE

Cloud & Infrastructure	AWS, Amazon EKS, Kubernetes, Docker, Helm, Terraform
Delivery & Automation	Jenkins, CI/CD, Python, Bash, Shell, Go, Linux, Unix
Observability & Response	Datadog, Grafana, Prometheus, Splunk, CloudWatch, PagerDuty

PROFESSIONAL EXPERIENCE

Senior DevOps Engineer 3

Cisco

Bengaluru, India | Nov 2024 - Present (DevOps Engineer 2: Apr 2022 - Oct 2024)

- Built Docker images and Kubernetes delivery workflows for multi-region services, including FedRAMP and China environments.
- Created reusable Terraform modules for AWS infrastructure, reducing reported provisioning time by 70%.
- Developed Jenkins pipelines and Terraform/container automation for repeatable multi-environment deployments.
- Helped migrate monitoring from Datadog to Splunk, with reported savings of approximately \$1,000 per month.
- Integrated PagerDuty with Grafana for real-time incident response and performed root-cause analysis to prevent recurring failures.
- Maintained monitoring for Cisco Umbrella Intelligent Proxy, built SLO dashboards, and configured Datadog logging for AWS EKS.

System Engineer / Site Reliability Engineer

Tata Consultancy Services

Mumbai, India | Jul 2021 - Mar 2022

- Managed AWS infrastructure and deployed applications using Terraform.
- Built CI/CD automation and supported automated testing, unit testing, and code coverage practices.
- Administered Jenkins dashboards, performed upgrades, and supported Linux systems and certificate maintenance.
- Provided incident resolution and escalation within SLA while troubleshooting application and customer issues.

EXPERIENCE - CONTINUED

Assistant System Engineer

Tata Consultancy Services

Mumbai, India | Jan 2019 - Jul 2021

- Worked with cross-functional teams to design cloud-native enterprise architectures aligned with business and technical requirements.
- Supported provisioning, systems operations, incident handling, and service reliability improvements.

EDUCATION

Master of Computer Applications

2018 - 2022

Sastra Deemed University, Tamil Nadu | 7 CGPA

Bachelor of Computer Applications

2015 - 2018

BBD University, Lucknow | 8 CGPA

COMMUNITY & LEADERSHIP

- CSR Volunteer at Cisco (Apr 2022 - Present).
- Technical Head, National Service Scheme, BBD University (2015 - 2018).
- Technical Head, Techkriti, IIT Kanpur (2017 - 2018).
